My dear Mr. Noe,

Here is a letter I have received from the Director of the Royal Mint of Sweden, with a translation of it and my acknowledgment. I do not find any letter of mine to him. Possibly he is addressing to me his answer to a letter of yours, as Cecil Thomas does in Mr. Wood's case. Will you also acknowledge the reports, please? I will bring them up the next time I come, which I hope will be during this next week. With sincere regard,

Very truly yours,

William Chauncy Langdon
